MY PILOT JOURNEY / FLIGHT SCHOOL KIT

Help students see their progress.

A free training companion for student pilots and instructors.

TRACK TRAINING

Record flights, instructor time, expenses, lessons, and milestones.

PLAN THE BUDGET

Compare aircraft rental, instruction, and other flight-training costs.

REVIEW PROGRESS

See training goals, timelines, skill practice, and printable summaries.

TRY IT WITHOUT SIGNING UP

Explore the public Live Demo before creating a free account.

Share with a student pilot

Scan the QR code or visit the link below.

The tool is free. Donations are optional.

mypilotjourney.com/flight-schools.html

For instructors: create an optional personal referral link at mypilotjourney.com/refer.html.

Referral statistics show only aggregate new signups, not students' private records.

Independent training organizer; not an FAA-approved logbook or flight-school endorsement.
